

Newsletter No.2 – November 2010

Dear Douzelage friends,

Some more informations.

Details about Accommodation:

We thought it would be more convenient for all the delegates to be lodged in hotels in the town center. Most rooms are double or triple ones. If you are single you will have to pay an extra cost. More information on newsletter n°3.

As it is a seaside resort which is getting busy in may, we need to book in advance. We are joining a registration form to fill and send back for the **15th of January 2011 (dead line)**. And we will search for families who could offer accommodation for those who would want it.

Details about Conference

Granville is a small town but widely spread and without a big conference center so useful for big events such as our Douzelage GM. It will be held outside Granville in "Le Chateau Bonheur". We will have to go there by coach. We will have enough room for the general meeting, the Education Meeting and the young meeting.

Youth workshop – Pascale from Meerssen suggests that the youngsters should have an exchange of email (or a page on facebook) in order to get to know each other before the GM. Therefore they will have to send me their email.

Non-official delegates:

Non-official delegates are welcome, we hope to find accommodation for all of them. The fee for non-delegates covering accommodation, catering, local transport and programme costs will be **255 €**.

We will think about some visits to do for non-delegates.

20th anniversary events:

Signing the chart by Mayors – As we are financially unable to invite a sixth delegate, mayors who couldn't come can be replaced by the GM delegate. This delegate will be officially mandated by the town to replace the mayor (official document needed) – The town official seal will be needed, please bring it with you.

Participation of those who were present in the first meeting in 1991. they will be asked to talk about it. (3 to 5 minutes)

Concerning the possible financial help. One town has already been interested. The idea is to subscribe to a Comenius project (leader Granville) A maximum of 5 towns can apply. The first visit (preparatory visit) will be in Granville (during the GM) Travelling will be covered by EU funds. You can still apply.

We attach the Registration Form and kindly ask you to **send it back to by the 15th January 2011 (deadline)**. Please send it back as soon as possible so that we can accommodate you as well as possible.

Sunday : Golfers will have the opportunity to play golf on Sunday the 29th of may.

Best regards

André Gendre

Some informations for travelling from Paris to Granville or Rennes airport

Coming from Paris to Granville (return ticket) by train

This is the time- table for 2010 (next year it will be about the same (we will have to check)

Return ticket : 80 €

Cheaper if you book by internet (but only in french) <http://www.voyages-sncf.com/>
