

GRANVILLE DOUZELAGE Committee Activities since Altea GM April 2009

June 2009 Adept Project by Houffalize(Belgium)

To celebrate the .10th anniversary Granville douzelage Committee was invited to send a class. It was very successful in spite of the lack of European support

June 2009 : two weeks at the Lycée La Morandière

Talk about the European Union and the Douzelage. Special exhibition on europ. With a quizz.

The students talked about starting a "Douzelage" club

July 2009 Mami project by Köszec (Hungary)

From the second to the ninth of July 2009, 10 students from Lycée de la Morandière with two adults spent a week talking about minorities. They made some visits (eg. Budapest) The students were very interested and the organisation was excellent.

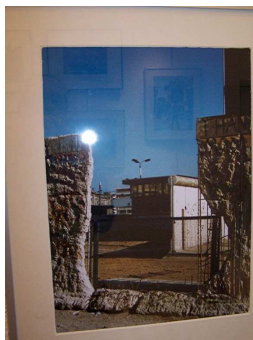

Thanks to Itzvan
